SurSol Hand Sanitiser

SurSol is the long-lasting, alcohol-free hand sanitiser spray that effectively kills 99.8% of all germs and known flu viruses.

- Powerful hand sanitiser that is scientifically proven to kill 99.8% of germs and all known flu viruses
- Paraben, fragrance and alcohol-free: Safe and gentle for children and those with sensitive skin yet scientifically proven to be powerful at killing germs and viruses
- The virus killing, water-based formula is cruelty-free, vegan-friendly and works within 15 seconds and it contains Aloe Vera and Chamomile, which moisturises while sanitising
- Kills germs and protects you and your family – actively killing germs for up to 4 hours
- Independently tested and proven to kill swine flu, winter flu, bird flu, MRSA, SARS and Norovirus

Suitable for use on the whole family and anyone with sensitive skin, this powerful, water-based spray is alcohol-free yet kills germs and bacteria within seconds. Any bacteria that comes into contact with the skin within four hours of use will also be eradicated. Formulated with active ingredients that comply with the EN 1276 and EN 14476 testing standards, SurSol Alcohol-Free Hand Sanitiser Spray is a powerful formulation designed to eliminate 99.8% of bacteria and viruses. It is vegan-friendly and certified cruelty-free so not only can you help to prevent the spread of illness and protect yourself and your family; you can do so with a clear conscience.

SurSol Hand Sanitiser 250ml
Code: HANDSAN
Price: £8.40 (Plus vat & p&p)

Essential Alcohol Hand Sanitiser

Prevent the spread of bacteria and infections with Essential Alcohol Hand Sanitiser, an alcohol based (minimum 72.5% alcohol content) instant hand sanitiser gel.

Effective and easy to use, Essential Alcohol Hand Sanitiser can be applied to clean, dry hands to help protect from germs.

Ideally placed in receptions or entrances, Essential Alcohol Hand Sanitiser, is perfect for ensuring your high levels of hygiene are maintained.

Essential Alcohol Hand Sanitiser Gel 250ml
Code: ESSHANDSAN
Price: £8.40 (Plus vat & p&p)

Ramsol Disinfectant Aerosol

Ramsol Disinfectant Aerosol contains active biocides and is specifically designed for the cleansing and disinfecting of hard and soft surfaces as well as being tested and proven for use on skin.

The Ramsol sanitiser spray is a revolutionary mist spray with fogging technology designed to sanitise and disinfect difficult to reach and intricate areas with full surface coverage.

This product is fast and effective at dealing with an extensive list of bacteria, viruses, fungi and moulds as well as Coronavirus and Type A Influenza viruses such as Swine Flu, Chinese and Japanese Flu strains and SARS.

Welfare Testing Station

Designed to enable factories, logistics supply chains and e-commerce companies to test staff for fevers before they enter the workplace

Test staff at a safe distance with screen protection

Very quick and simple to deploy and are also portable. They are designed to be used in conjunction with infrared forehead thermometers.

This is a very simple welfare provision to enable companies who are continuing to operate as key workers to take a precautionary step every day, in taking the temperatures of their staff before they start their shift.

Welfare Station

Code: TEMPPOD

Price: £715.00 (Plus vat & p&p)

Infrared Forehead Thermometers

Sold separately in single units, infrared forehead thermometers enable the testing of staff or visitors at a safe distance.

Significant changes to body temperature can be an early warning sign of being unwell.

Digital Thermometer

Code: THERM-R1D2

Price: £119.00 (Plus vat & p&p)
